Mark Glick was the auctioneer.

GEHL

EVEN WHEN IT'S EMPTY... IT'S LOADED

When you're checking out box-type manure spreaders, look to Gehl for a better spreader! Gehl box spreaders are available in five sizes ranging from 135 to 425 bushel heaped capacities. Gehl box spreaders deliver these and many more advanced features:

- Gehl-Tuff flooring is slippery so manure slides out easily.
- T-bar apron chains are extra-strong for durability.
- Galvanized steel sides are more corrosion resistant.
- Single or tandem axle models available.
- 10-year warranty on sides and floors.
- Hydraulic apron drive (optional) to match your specific application needs.

COST CUTTERS

Gehl has two all-new disc mower conditioners to cut your crop down to size, fast and easy. The DC2340 has 7 discs and a 9 foot cutting width; the DC2360 has 8 discs and a 10-1/2 foot cutting width.

- High speed discs — Each disc has two knives to slice through the toughest crops and conditions; the disc gear drive operates in an oil bath for long life.
- Sturdy frame — Cradles the cutterbar for extra protection and durability.
- 540 or 1,000 rpm driveline with equal-angle hitch for smooth power transfer.
- Standard hydraulic tongue — Makes it easy to position the unit without leaving the tractor seat.
