4-H'ers Looking For Lost Heifers

CHRISTIANA (Lancaster Co.) — The DiMarzio family, who live between Christiana and Atglen, are looking for four lost Ayrshire heifers that escaped through a downed fence on their farm. The fence was broken when a logger felled a tree. Tracks of the two bred and two open heifers that are 4-H projects of Michael, 15, and Erica, 14, lead out to the road. But

then they vanish. Faith DiMarzio said her children put up their own money to buy the animals, and they hope someone will know where they are. Besides the financial loss, the animals were pets and could easily have been stolen. If you have seen the heifers or know anything about where they have gone, please call (215) 593-0369.
