

# American made... FOR THE AMERICAN SMALL FARMER

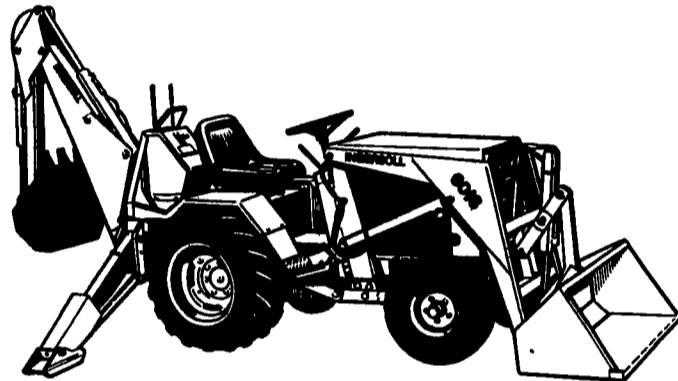

The Ingersoll model 6018 Compact Loader Tractor is built from the ground up to handle big jobs in tight places like barns and comes standard with power steering. But unlike skid steer drives, this unit won't tear up your lawn when you attach this 48" finish mower to the standard 3-point hitch. The standard rear hydraulic PTO also makes using our full line of hydraulic attachments a snap.
