**REPLACING HOG FLOORING CONSIDERING NEW CONSTRUCTION? CHECK OUT Polygrate™**

**Heavy Duty Hog Flooring**

Time Tested and Proven  
This style of POLYGRATE was first introduced in 1981. Over the years Faroex has continued to refine this product. POLYGRATE is one of only a few "World Class" floors that has stood this test of time.

**Outstanding Traction**  
POLYGRATE'S unique "high-low" finger design provides outstanding traction for pigs of all sizes, while enhancing safety and comfort.

- ◆ POLYGRATE'S rounded corners minimize injuries. The edges are beveled providing a smoother, safer surface that promotes comfort, too.

**What Does This All Add Up To?**

- ◆ More piglets survive until weaning
- ◆ Less splay/spraddle leg problems
- ◆ Heavier piglets at weaning
- ◆ Better conditioned sows at weaning
