AGCO ALLIS 4600 SERIES TRACTORS

CHORES AND MORE

Ask about the versatile AGCO Allis 4650 and 4660 chore tractors in the 40-52 PTO hp range. They provide low maintenance, economical operation, fuel efficiency and are backed by a 4-year/4,000-hour warranty.

- Reliable, air-cooled engines.** The 3-cylinder, naturally-aspirated diesel engine delivers 40 PTO hp in the 4650 and 52 PTO hp in the 4660. It also eliminates components that cause downtime in liquid-cooled engines and is among the best in fuel consumption tests.
- Independent PTO.** Both models feature a 540 rpm with a 6-spline shaft. The 4650 and 4660 come standard with a Category I 3-point hitch with telescopic stabilizers.
- Efficient drivetrains.** The synchropower transmission features 12 forward and 3

reverse speeds. Optional creeper gears provide 16 forward and 4 reverse speeds. Both tractor models come as either 2WD or AWD.

- Quality features.** The 4600 Series tractors feature hydrostatic power steering and premium Goodyear® radial tires. They also feature a rear axle differential lock and mechanically-actuated wet disc brakes.

The AGCO Allis 4600 Series tractors are engineered for trouble-free service and long life. They are lightweight, compact tractors with excellent visibility, maneuverability and common-sense instrumentation. To see how easy it is to operate the 4650 and 4660, or any of the "orange" line of AGCO Allis tractors ranging from 40 to 128 PTO hp, stop by or call us soon.
