

Come To Binkley & Hurst Bros. For The Best Plow Available Today With 2 Sizes In Stock, 4 and 5 Bottom Variable Width Model 7500 Up To 22" Width Of Cut.

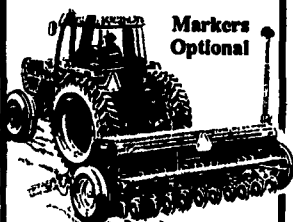

### Custom Cut

Moldboard Plow In Stock At Binkley & Hurst Quality Case IH

Infinite cutting width adjustments make the new Case International 7500 semi-mounted moldboard plow your perfect choice for heavy duty plowing of rolling or contoured land. Or for adjusting to varying soils. You can vary furrow cuts from 14 to 22 inches (356 to 559 mm), so if you turn over cornstalks at 18" (457 mm) or sod with a 14" (356 mm) cut, one plow is all you need. Also simplifies closing dead furrows and finishing headlands. Manual or hydraulic for 4 to 7 bottom plowing. The 7500 plows also feature exclusive Earth Metal® moldboards—the kind that withstand up to 50% more deflection than conventional moldboards without breaking. Check out the difference a custom cut can make in your fields. Stop in today.

### GET EVEN STANDS

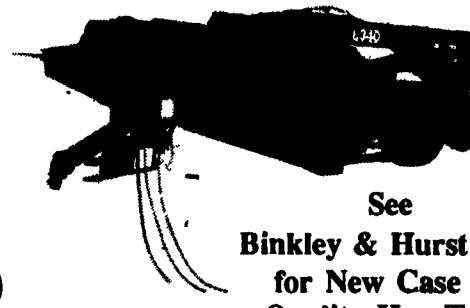

Markers Optional

In Stock - • 20x6 • 24x6

There's nothing more important to a crop than early, even emergence. To get it, you need accurate, even seeding.

The 5300 has earned a reputation for its seeding precision, a function of its exclusive feed cup design and dependable disk openers. And, to improve placement of seed, the opener drawbars are heavier than on previous models. Press wheel and opener bearings are heavier for long life operation.

Along with accuracy, the 5300 gives you fast, high capacity seeding, so you spend less time refilling hoppers. Grass seeding attachment for 16x7.
