NORTHEAST BROILER/FRYER PARTS - PART I FEDERAL-STATE

Trucklot buying interest was good to very good. Supplies of boneless skinless breasts with tenders were very tight with buyer inquiries not filled. Breast cutlets without tenders were available but buyers could not line up trucking to deliver the product. Most trading was at the 2.00 level but some buyer resistance was noted at the higher prices. Whole breasts were very tight. Most buyers were fully booked for this week but were looking for product for next week deliveries. Whole legs were adequate. Leg quarters were in close balance to short. Wings cleared well for an improving demand.

PRICES PAID PER POUND, ICE PACKED AND CO2 PACKED BROILER/FRYER PARTS, DELIVERED TO FIRST RECEIVERS IN POOL TRUCKLOT AND TRUCKLOT QUANTITIES.
