# Thanks & Congratulations to

## John & Jane Shalongo

### Paxinos, PA

#### On their new 44'x340'

#### 12,000 hen commercial breeder house

New breeder house designed & constructed by Northeast Agri Systems, Inc. featuring: Brown-out fan sheds & inlets

**CHORE-TIME ULTRAFLO**

The feeder that has taken over the caged layer industry

**CHORE-TIME**

24" FANS

**VAL FLOOR WATERING SYSTEMS**

Chore-Time's new and exciting auger system is so fast it fills all troughs in a 500-ft. house in only 5 minutes — then all birds eat simultaneously. No picking over of feed. It's the ultimate breeder feeder!

• Feed fast — less competition, less stress, better performance, less picking over of feed. • Easy to operate, no feed loss, no mess, no maintenance. • Uniform action throughout the entire house. • Available with heavy-duty or "light-duty" grill. • Use Chore-Time WEIGH-MATIC® bin to allocate daily ration before feeding.

Chore-Time's new auger system is so fast it fills all troughs in a 500-ft. house in only 5 minutes — then all birds eat simultaneously. No picking over of feed. It's the ultimate breeder feeder!

Chore-Time WEIGH-MATIC® System
