With ALPRO, she's more than just a number.

You'll know she gave 34.2 pounds this morning (up 2.4 pounds from last night) and her next expected heat is in 3 days.

It's a fact. The more you know about your cows, the better off you'll be. And by putting crucial herd management information at your fingertips, ALPRO makes it easy. With the touch of a button, you can find out everything from a cow's production level to her health status. You can even customize ALPRO to tell you specifics that apply to your milking situation.

ALPRO is also easy to upgrade. Start with milking and add feeding later if you wish. Or begin with a complete system and have the confidence of knowing you can add new components easily and inexpensively as they're developed.

Call 1-800-365-1883 or your nearest independent Alfa Laval Agri™ dealer today to learn more. You'll quickly discover that the advantages of ALPRO are truly beyond number.
