

SMART MOVE

GRASSHOPPER®
YOUR NEXT MOWER

The new mid-size Model 600 Series (12.5 or 16 hp) with advanced dual-hydrostatic drive is among the nine models from which to choose, 11 to 25 hp, 35" to 72" cutting widths.

Move up to a Grasshopper and enjoy fast high-quality mowing for years to come. The "right moves" come easy so you can trim as you mow and reach where others can't go: Zero-radius maneuverability, square-corner turnability and out-front reachability with "no-shift" forward/reverse. Comfortable and simple to operate. Built for rugged conditions and season-after-season reliability. Make the "smart move." Ask for a demonstration.

Make all the right moves for mowing quality and time-saving trimability!
