DOROTHY'S CORN BREAD

Heat oven to 350 degrees. Grease 8 by 8 inch pan.

- ½ cup sugar
- ½ cup butter, softened
- 2 eggs, beaten
- ½ cup sour cream
- ½ cup sour milk
- ½ cup corn meal
- 1½ cup flour
- ½ teaspoon salt
- ½ teaspoon baking soda
- ½ teaspoon baking powder

Cream butter, add sugar, mix well. Add sour cream and sour milk. Mix well. Combine dry ingredients and add to mixture. Mix well and pour into prepared pan. Bake in 350-degree oven for 30 minutes.

This is a very moist cornbread that my family eats like cake but I usually make it to serve with beef or venison stew. My husband and I farm in partnership with our son. We milk close to 400 Holsteins three times a day. Now that we have regular milkers for each shift, we enjoy traveling and spent two wonderful days in Lancaster County in early May.

COFFEE ICE CREAM PIE

- ½ cup butter, melted
- ¾ ounces flaked coconut
- ½ cup chopped pecans
- 2 tablespoons all-purpose flour
- ½ gallon coffee ice cream
- 1 cup whipping cream
- ¼ cup confectioners' sugar
- Sweet chocolate curls
- ½ cup coffee liqueur

Combine butter, coconut, flour and pecans. Mix well and press on bottom and sides of a 10-inch pie-pan. Bake 10 or 12 minutes at 350 degrees until lightly browned. Spoon ice cream into pie shell and freeze.

Beat whipping cream until foamy; gradually add confectioners' sugar, beating until soft peaks form. Spread over pie and top with chocolate curls. Pour 1 tablespoon coffee liqueur over each serving.

My husband Johnny is a retired elementary school principal who loves and collects John Deere two-cylinder tractors. This recipe is his favorite dessert. I am a semi-retired English teacher who loves to cook. Our physician's wife fixed this dessert for a dinner many years ago.

ICE CREAM

- 2 cups sugar
 - 1½ pints heavy cream
 - ½ teaspoon salt
 - 4-6 eggs
 - 1½ quarts of milk
 - 2 tablespoons vanilla
- Scald a half cup of milk. Beat eggs and 1 cup of sugar until stiff. Add a cup of cold milk to egg and stir into scalded milk. Cook until like a pudding. Pour in freezer and add rest of milk, 1 cup of sugar, and cream and vanilla. Churn 30 to 35 minutes.

Mohrsville

Thanksgiving reunion of the Art and Millie Thieme family.

ICE CREAM PIE

- ½ cup peanut butter
 - ½ cup white corn syrup
 - 2 cups crispy rice
 - 4 cups ice cream
- Mix peanut butter and Karo and add crispy rice. Form it in an 8-inch pie plate as the crust and fill with your favorite ice cream and freeze.

My parents are Joseph and Sarah Miller and we live on a dairy farm. I am 18 years old. I really enjoy dairy products.

Katie Miller
Paradise

CREAM CHEESE POUND CAKE

8 ounces of cream cheese, softened.

- 1 cup butter, softened
- 1½ cups granulated sugar
- 4 large eggs
- 2 cups regular flour
- 1¼ teaspoon baking powder
- Confectioners' sugar

Heat oven to 325 degrees. With electric mixer on medium speed, blend together cream cheese, butter, and granulated sugar. On low speed, blend in eggs. Combine cake flour and baking powder; add to cheese mixture and blend until smooth. Pour into buttered and floured 9-inch by 5-inch loaf pan. Bake one hour and 20 minutes until golden brown. When cool, sprinkle with confectioners' sugar and serve.

We look forward to your paper each week.

The Cream of Tomato Soup recipe your printed recently has become a family favorite.

For years we searched for a pound cake recipe and this is the only one our family wants.

We've raised five children and shared our home with foster children here in southern Maryland.

Thanks for a great paper.

AGCO ALLIS 8600 SERIES TRACTORS

36 SPEED CHOICES

AGCO Allis 8600 Series tractors give you 36 speed choices, an electronic engine speed governor and many other quality performance features, as well as a comprehensive 4-year/4,000-hour warranty.

• **Speed choices for all conditions.** The standard synchropower transmission offers 24 forward and 12 reverse speeds. An optional power Hi-Lo transmission boosts that to 36 speeds both forward and reverse. Both 8600 Series models are AWD with planetary final drive, and a self-adjusting, hydraulically-actuated clutch.

• **The air- and oil-cooled engine advantage.** The 8600 Series tractors feature the high-output, 6-cylinder, air- and oil-cooled diesel engine that eliminates components that cause downtime in liquid-cooled engines. The 8610 model has a 103 PTO hp engine with a 22% torque rise and the 8630 model has a 120 PTO hp turbocharged engine with a 30% torque rise.

• **PTO power and versatility.** The independent PTO operates at 540/1,000 rpm with 6- and 21-spline shafts and an electrohydraulically-actuated wet PTO clutch. The 3-point hitch comes standard with telescopic stabilizers: Category II/1 on the 8610; Category III/II on the 8630. Optional telescopic lower links are available.

• **Quality performance features.** The 8600 Series tractors ride on premium Goodyear™ radial tires. They have hydrostatic steering, a tilt-telescope steering wheel and hydraulically-actuated wet disc brakes on all four wheels for 40% better braking. These models also have electrohydraulically-actuated rear and front differential locks that an operator can manually disengage for tighter turns.

To learn about all the quality features of the 8600 Series tractors, or any of the "orange" line of AGCO Allis tractors ranging from 40 to 128 PTO hp, stop by or call us soon.

502T Pull-Type Sprayer

Establishing quality standards in pull-type sprayers began over 20 years ago with the Ag Chem Model 402 sprayer, and today the Model 502T is carrying on the tradition. With a formed steel channel frame for extra durability and a tongue that attaches directly to the axle for maximum pulling strength, the chassis of the 502T is a rugged performer. Axle choices include the single configuration or, for maximum stability, the tandem axle design. Axles are row crop adjustable from 60 inches to 80 inches and wheel hubs are the 6-bolt type. Wheel rims (10"x15") and tires (11Lx15, 6-ply) are also available.

Standard features for this sprayer include a loading platform and a 2,000 lb rated tongue jack. Boom Options: • 45' Hydraulic Fold & Level Boom • 47½' & 60' Manual Fold Boom

SK400 Skid-Mount Sprayer

The Ag Chem SK400 Skid-Mounted Sprayer is an ideal system for a custom operator who wants to cover acres fast and efficiently. It easily slides in and out of a standard pickup bed and is recommended for use with ¾ ton or larger vehicles. When the unit is not being used, it rests on four conveniently built-in leg stands.

Our 47½ foot suspension boom features our unique 3 section quick-fold system (manually operated) and breakaway boom arms that automatically return to the spraying position after striking an obstruction. The boom is crop height adjustable, and its arms fold forward to rack along the side of the pickup bed. Hydraulic options include boom leveling and our new boom fold system.
