MUELLER DAIRY FARM EQUIPMENT

Offer Scroll-Compressor Technology

New in 1994

You may pay less for some dairy farm equipment... but it can cost you more!

Equipment cost is not the only cost of cooling milk.

In the long run, total operating costs of a Mueller' milk-cooling system are generally substantially less than those of "bargain-brand" milk-cooling equipment.

Example	Mueller	Competition
Cost of equipment	\$51,000	\$28,000
Cost of electricity @ 0.08 kW for 12,000 lbs milk/d for 10 years	\$17,550	\$22,850
Total operating cost for ten years	\$68,550	\$50,850
Savings	\$17,700	

Contact your Mueller distributor for further comparisons.

★ Call Today For All Your New or Used Milk Tank And Refrigeration Equipment Needs!

Your best box buy is Badger.

When it comes to forage boxes, no one builds 'em better than Badger! Badger's been in the box business for more than 40 years, designing unmatched durability and dependability into every Badger box

Badger boxes and running gears are built to stand the heaviest loads, the roughest terrain, and continue trouble free operation year after year. The bolted plywood construction, all steel frame, and high-strength undercarriage

assure your box will be worth more long after others have reached the graveyard

Add to that a lifetime warranty on wood sides and floor, high strength pintle chain and choice of easy maneuvering, single and tandem axle running gears, and you've got the best box money can buy

Bar none
It's Badger tough. It's farm tough.
