

## J&D Manufacturing SUPREME CALF HUTCH

J&D MOLDED HIGH  
DENSITY-POLYETHYLENE  
CALF HUTCH

J&D Calf Hutches will keep calves drier in the winter, they will stay warmer and start eating at an earlier age. During the warm summer months you can use the standard, adjustable air vent to control the climate in the Calf Hutch. Your calves will be healthier and will grow faster. You may add an out door fence area to the hut.

Calf Hutch comes with Pail holder, 2 pails & bottle holder!
