## Roundup of Savings

We're passing  
special savings  
from  
John Deere  
on to you

### JOHN DEERE BALERS DELIVER CONSISTENCY, CONSISTENTLY

Building "square-er," stackable, solid bales is what our proven hay control system is all about. Once hay is inside the baler, a continuous-flow, floating auger moves the crop into a tapered chamber... precompressing the hay before it reaches the bale chamber. This makes John Deere bales denser, and more consistent. A difference you'll notice when stacking and feeding bale after John Deere bale.

Model 338 Mid Size Baler  
With 1/4 Turn Chute  
Sale Price **\$10,850<sup>00</sup>** (1 Only)

### JOHN DEERE...THE FASTEST MOVING BALERS AROUND

Why do more people choose John Deere balers? Because John Deere balers are easy to use and they deliver the best bales. Bales that hold their shape, and quality.

And they deliver quality bales in tough crops and conditions, too. Just customize your John Deere baler with one or more of these productivity options.

IN STOCK  
Model 435 Round Baler  
Sale Price **\$16,500<sup>00</sup>**

### NOBODY DOES HAY BETTER

- Speed up drydown with a John Deere 9-foot 1219 Mower/Conditioner.
  - Exclusive urethane conditioning rolls apply more pressure per square inch over more crimping points.
  - Easy adjustments for pressure, roll spacing, platform float, shoe height.
- IN STOCK NOW  
1219 9 Ft. With Options  
Sale Price **\$9,490<sup>00</sup>** (1 Only)

### READY FOR YOUR INSPECTION

- Join us and discover new power, performance, and productivity

IN STOCK NOW!

### AGGRESSIVE ROTARY ACTION LETS YOU EMPTY WAGONS FAST

Keep your forage and your operation moving with a 100 (540 rpm) Forage Blower. Aggressive Feeding lets you unload wagons fast, for a quick turnaround time. The 100 series blower features a rotary feed table that shoots forage into the blowing chamber. And since the material is already moving when it reaches the fan, you'll need less horsepower to blow silage into the silo.

IN STOCK  
Model 100 Blower  
Sale Price **\$3,950<sup>00</sup>**

### 450 SERIES END-WHEEL DRILLS ENHANCED PERFORMANCE AND DURABILITY MAKE THESE DRILLS THE BENCHMARK IN END-WHEEL DRILL DESIGN

The 450 Drill accurately and easily seeds in a variety of conditions, thanks to up to 124 pounds of opener down-pressure and a hefty 1 1/2-inch-square pressure shaft.

IN STOCK
