

**Dean, Dana, Glenn and Charles Good**

Lunch at Penn Jersey's Lancaster Co. Dairy Tour last week was hosted by Glenn Good and sons Dean and Dana at their farm where construction was being completed on a 2560 Harvestore® structure for haylage, a 2077 Harvestore structure for high moisture corn and a 2588 Harvestore structure for corn silage.

Glenn's father Charles began farming with the Harvestore System in 1972!

The results you may achieve with your Harvestore® System depends primarily upon your management skills and may vary from successful results achieved by others. Any application in a particular farming operation requires the advice of qualified experts and is subject to limitations of good management, weather or other conditions present at the individual location. Harvestore is a registered trademark of A.O. Smith Harvestore Products, Inc.
