ROLLING ON...IN THE 90's

MEETS THE CHALLENGE

The Precision Grass Seeder
For Professional Landscapers
Turf and Sod Producers

(SLP-8) 3 Pt. - 8' (SLP-10) 3 Pt. - 10' (SL-10) Pull Type 10'
The Brillion Turf Seeder is designed to seed large areas at precise rates. Accurate placement of seed at the proper depth assures maximum germination and thicker, more uniform stands with seed saving up to 50%. Also available in 8 ft. and 10 ft. pull type.

SEED
THE
BRILLION
WAY

Front rollers crush lumps, press down small stones, and form a firm seedbed. Precision seeding devices meter out the seed onto the well prepared seedbed. Rear rollers split the shallow ridges formed by the front rollers and gently firm the soil around the tiny seeds.
