

Greetings From Your Lebanon Fair Queen

Hello, my name is Jamie Irwin. Shortly my reign as the 1993-1994 Lebanon Area Fair Queen will be over. It will soon be time to crown the new 1994-1995 Queen. **WILL IT BE YOU?**

The is the reason for this letter. I would like to encourage all females, between the ages of 16 and 20, that have had or have some af-

filiation with the Lebanon Area Fair, and enjoy people, to consider becoming an entrant for this year's title.

The winner receives so much recognition and great prizes. She will be the guest of many parades and will compete in the state level at this fantastic convention!

This year's Lebanon Area Fair

will run from July 30 to August 5. If you would be interested and would like more information, please call the fair office at (717) 273-3795.

I hope you consider being a contestant. I was crowned on Saturday evening, July 24, 1993, and my duties as Fair Queen began immediately. I handed out ribbons and congratulated the many exhibitors. I greeted and welcomed fair participants, visitors, and dignitaries. It wasn't very hard to smile, for I had a lot to smile about!

I was very proud and honored to fulfill the title. I received prizes from sponsors such as L'Gem, Tim McGowan Studio, Wertz Candies, Dunkin' Doughnuts, Nancy Thompson, and of course the Fair Board and their committees were truly generous. But my most rewarding prizes were the many smiling faces and warm hellos, the friendly handshakes and all the new friends I made while wearing the crown.

Being known as the Lebanon Area Fair Queen has created a great deal of pride and a memorable episode in my life. It has numerous pictures of my sponsors, my events, and the parades from the whole year as the Lebanon Area Fair Queen. If you get a chance, please stop by the exhibit building and check it out!

Once again I would like to thank this newspaper as well as the local radio and TV stations for their wonderful coverage of the Lebanon Area Fair. The media has been a very important factor in making the Lebanon Area Fair the

success that it is.

I haven't forgotten the best chaperone a queen could have... thank you, Lorraine Royer.

I do feel that all the exposure and publicity I have received as the Fair Queen has helped me become a good public speaker, and has instilled a great deal of confidence and other qualities that will

help me in my future.

After my graduation from high school this year, my goals are to attend a four-year college and study law enforcement/criminology. My search is on for the right college and I hope to earn the scholarships I will need to fulfill my plans.
