**REDESIGNED  
 WITH GREATER  
 VISIBILITY.**

Climb into the big ComforTECH cab on the GLEANER® rotary combine and you'll see a clear difference instantly. More glass on all three sides gives you greater visibility of the field, the incoming crop and the entire header operation. And now, three of four models\* offer an engine choice. Pick a high torque rise Cummins diesel or a low maintenance air-cooled Deutz — both loaded with power to spare. Plus, every GLEANER is backed by a strong AGCO warranty and superior parts service. Check out the GLEANER rotary at your local AGCO GLEANER dealer today. And ask about flexible AGCO financing.
