GARRETT IS BIG ON AG TURBOS

PLOW BIG SAVINGS ON GENUINE GARRETT TURBOS
 Don't miss this opportunity to plow some big savings on Genuine Garrett Factory Remanufactured Turbochargers. Your Authorized Garrett Distributor Penn Diesel Service should have a turbocharger or cartridge that fits your tractor, combine, or other farm equipment. If it's a turbocharged Ag engine, there's most likely a Garrett turbo on it. Look at the following list of OE's. There's a reason why they specify Garrett turbochargers for their engines:
 • Allis Chalmers • JI Case
 • Deutz Allis • John Deere
 • Fiat Allis • Massey Ferguson
 • Ford • Navistar
 • International Harvester • Perkins
 For those same reasons, when it's time for a replacement turbo, it's time for Genuine Garrett. All Genuine Garrett turbochargers are remanufactured to original equipment specifications at the Garrett factory. It's your assurance of original equipment quality and performance with a warranty that matches the new turbo. Genuine Garrett turbochargers are remanufactured with the same high quality parts as new and reengineered for the most recent upgrades and refinements to maintain the exact performance characteristics into the original turbo. For more information on Genuine Garrett Factory Reman Turbos, see your local Garrett Distributor or call or write
