FLEXIBILITY

THE TEDDER THAT RAKES

Now, you can rake and ted with the same machine—the New Holland Model 254 rake tedder. The Model 254 lets you perform a variety of haymaking functions...rake a swath into a windrow, rake two windrows into one, turn windrows, and move crop away from treelines and fences. And, without tools you can convert the Model 254 into a tedder that will fluff up wet, matted-down crop for quick drying.

Stop in today. Let us show you the flexibility of the New Holland Model 254 rake tedder...only from Ford New Holland.
