## CONGRATULATION AWARD WINNERS!

# Farmers in the Know, Know Jamesway®

## The Silo Unloader Experts

### ■ Volumaxx® High-Capacity Big Ring Silo Unloader

Backed by over 40 years of unloader technology and our three year C.A.P. (Customer Assurance Protection) warranty this durable brute offers unmatched performance, distribution choices, and ring drive convenience.

Your Jamesway® Dealer is a silo unloader expert. He carries a complete line of Jamesway unloaders and has the specialized training and parts to keep them working for years to come. He's also a feedroom and feeding equipment expert who knows your silo unloaders are an important part of your feeding system.

It's no wonder there are more Jamesway unloaders working on North American dairy farms than any other brand. So if you're looking to replace your old unloader, check with an expert—your Jamesway Dealer.

### ■ Pacmaster™ . . . Jamesway Quality in a Pack Drive Unloader

This economical "workhorse" sets the standard no other pack drive can match. Stronger, with greater capacity, the Pacmaster will give you years of efficient, trouble-free service.

### ■ Big Jim® B.U.C.S. Breathes New Life Into Bottom Unloading Structures

If you've had it with the high maintenance costs, slow delivery and low capacity of your bottom unloader, than Big Jim B.U.C.S. (Bottom Unloader Conversion System) is for you. Get big volume unloading, reliability, lower maintenance costs, greater silo capacity, and excellent quality haylage.
