Offer
Scroll-Compressor Technology

New in 1994

You may pay less for some dairy farm equipment... but it can cost you more!

In the long run, total operating costs of a Mueller' milk-cooling system are generally substantially less than those of "bargain-brand" milk-cooling equipment.

Example	Mueller	Competition
Cost of equipment	\$51,000	\$28,000
Cost of electricity @ .08 KW for 12,000 lbs. milk/day for 10 years	\$17,550	\$22,850
Total operating cost for ten years	\$48,550	\$50,850
Savings	\$2,300	

Contact your Mueller distributor for further comparisons.
