ENJOY

**AS COMFORTABLE
AS YOUR FAVORITE
CHAIR.**

The air-cushioned seat in a Ford PowerStar® tractor is surrounded by convenience. And it's probably the most comfortable tractor seat you'll ever sit in.

In fact, if it were any more comfortable, you'd probably be tempted to lean back and close your eyes.

Come in and see what we mean.

A great place to work

OF PERFORMANCE

More productively. More confidently.

Advanced state-of-the-art shift transmissions mean less effort, straight-line ranges and shuttle shifts for faster manufacturing cycles and greater engine life and reliability.

Advanced electronics mean more control and operation simplicity.
