### Northeast Broiler/Fryer Parts

### Delmarva Broiler/Fryer Market

Thursday, August 18, 1994  
Movement of ready-to-cook whole birds remained easy on the short supply of 2.5 pounds sizes; good on the adequate to tight supply of 3 pound sizes, and fair at best on the fully adequate heavier weights. Live supplies were moderate. Weights were heavier than desired at most plants; however, some operations were reduced today partly due to light weights. Processing schedules remained very heavy. Less than trucklot asking prices were unchanged at 52 to 63 cents. Trade sentiment was steady. Boneless skinless breasts were in excess and slow to clear. Bone-in breasts were ample. Other parts were adequate in fairly good balance.
