JOHN DEERE

**NOBODY DOES
HAY BETTER**

The all-new **MoCo's**

- An all-new three-point suspension system provides unmatched flotation.
- Redesigned guards and a 5-bar reel help the all-new sicklebar machine cut better - and six inches wider - than anything in its class.
- Two new rotary disk models feature the all-new, John Deere-built modular cutterbar. It's stronger than anything else on the market.
- An exclusive Power-Cushion helps prevent the driveline from bottoming out during tight turns.
