JOHN DEERE

NOBODY DOES HAY BETTER

The all-new **MoGo's**

■ An all-new three-point suspension system provides unmatched flotation.

■ Redesigned guards and a 5-bar reel help the all-new sicklebar machine cut better - and six inches wider - than anything in its class.

■ Two new rotary disk models feature the all-new John Deere-built modular cutterbar. It's stronger than anything else on the market.

■ An exclusive Power-Cushion helps prevent the driveline from bottoming out during tight turns.
