

Special Advertising Deadline For September 24 Issue

Because of the street fair in the town of Ephrata where *Lancaster Farming* is published, classified ads for this section D (all farm equipment classified ads) in the September 24 issue will need to be into our office by 9 a.m. on Wednesday, Sept. 21. We appreciate your effort to help us meet these deadlines.

FINALLY...

YOU'RE IN CONTROL

The Model 900 forage harvester puts you in control of your harvest:

- Rugged 21-inch, 12-knife cutterhead for a uniform chop.
- Exclusive flip-up feedrolls provide convenient access to the shearbar and smooth roll scraper.
- Electromagnetic clutches provide instant response in controlling feedroll and attachment drives.
- Optional Metalert® 11 metal detector protects cutterhead and your valuable animals.

Let us show you how the Model 900 puts you in control.

WHIRL-A-FEED

SAVE TIME AT THE SILO

Increase your productivity with a Model 40 forage blower. The Whirl-A-Feed® table breaks up clumps and spins crop into the blower at high speed. This means less drag on the fan and more efficient use of your tractor's horsepower.

Stop by and learn more about the Model 40.
