CLAAS HARVESTERS

The forage quality is a key factor for your customers. Precision chopping is essential, both in grass and corn. In corn, all the kernels have to be opened up. This precision enables the achievement of high silage density and top digestion by the livestock. The MEGA makes sure your customers will be satisfied.

HYDRA-SPREAD

HYDRAULIC PUSH-OFF MANURE SPREADER

Single or two beater designs. Aggressive, high-speed beaters - with up to 15 paddles per beater - deliver a fine uniform spread. Replaceable bolted paddles on main beater.

Snug-fitting end-gate controls sloppy or granular manure.

Polyethylene sides and bottom containing 90% re-cycled material. Guaranteed for the life of the spreader.

Simple and reliable single-stage push gate for dependable, trouble-free unloading. Centre-guided design eliminates jam-ups.

Optional slurry pan prevents spills. Controls sloppy or fine materials for even finer more uniform spreading.

Optional wood rails - increase capacity and protect the box.

Precision metering valve for infinitely variable unloading from 0 - 8 fpm.

Simple, dependable power train. Every shaft (even the upper beater) is splined for efficient power transmission and long life.

Truck type or flotation tires to suit your needs.

Clean design. No obstructions to hold manure.

Driveline and gearbox are safely contained within the frame - under the floor. Easily serviced and repaired.

Hydraulic cylinders are installed above the floor. Always accessible - always easy to clean and service.

Fully shielded PTO with overload protection.

Strong, all-welded frame with heavy structural tubes. All structural members are high-strength steel.

LARGEST SELECTION EVER FOR IMMEDIATE DELIVERY, NEW MODEL 275 NOW IN STOCK!

#1

Massey Ferguson and M.M. Weaver

For 30 consecutive years, more farmers world wide have purchased MF tractors than any other brand. And every year more people are coming to MM Weaver for their MF tractors. Here's why:

- More than 6 million MF tractors have been purchased since 1917.
- MF traces its tradition for quality farm equipment back to 1847.
- MM Weaver has been selling and servicing MF tractors since 1936.
- MM Weaver provides complete MF parts and factory-trained service support.
- MM Weaver offers outstanding trade-in allowances and rock-bottom prices on new MF tractors and equipment.
- MM Weaver can arrange low-cost MF financing on MF tractors and equipment.

The new MF Dynashift powershift transmission, designed to deliver more useable power to the PTO and wheels, is now available for all Massey Ferguson tractors from 100 to 170 PTO horsepower. MF 3140 tractor (115 PTO hp) is shown.

MF 399 all-purpose tractor with new Perkins 1000 Series Quadram Power 95 h.p. diesel engine

to test drive w/ MF tractors.
