ADC Members Receive Additional Payments

SOUTHAMPTON (Bucks Co.) — Atlantic Dairy Cooperative

members recently received nearly \$1.8 million in additional payments, the equivalent of 5 cents per hundred-weight.

The additional payment was based on the cooperative's "good earnings" for the 1994 fiscal year, according to Robert M. Dever, chief executive officer. Atlantic's net margin totaled \$7.3 million, with more than \$574 million in sales.

The payment, an additional milk check, supports the cooperative's belief that member money is better spent on the farm. Atlantic's goal is to keep member investment in the cooperative at a minimum, while maintaining adequate equity to operate the business.

"We are pleased to make this payment to our members," Dever said. "It supports our mission of maximizing the overall returns to members and patrons."

Atlantic Dairy Cooperative represents more than 3,500 dairy farm families in Pennsylvania, New York, New Jersey, Delaware, Maryland, Virginia and West Virginia.
