JD 8350 Grain Drill

**IT ALSO CUTS MANHOURS.**

When you're doing high-capacity haying, our Hesston 1160 Hydro Swing Mower Conditioner gets right down to business.

We built it with a center-pivot design that gives you all the benefits of a self-propelled—without the extra expense. And it's made for consistent, even cutting.

Once you've entered your fields, the 1160's fully engaged 110" conditioner gets to work for fast drying and even, well-conditioned windrows. You can even adjust the forming shields to produce everything from a swath to Hesston's unique fluffy windrow. Whatever the crop conditions, the 1160 tailors itself so you can harvest the highest quality hay and save lots of time in the process.
