I toured the West again and bought all the thick calves I saw They come from Iowa, Nebraska, Colorado and Kansas. We have taken the work out of looking for truly good calves to bring them for your inspection. These calves will be all you ever expected in Western bred club calves. Along with our deep set of home bred calves, they will be worth your time to see I have received many phone calls from 1993 buyers about their champion steers purchased last year. The response has been overwhelming The calves will all be wormed, vaccinated, pre-conditioned and broke to tie.
