

PEQUEA

Feed your cows with Pequea's portable bunk feeders

Models 510S, 515E, 520, 520H, 525 & 530T Bunk Feeders

Here's a better way to feed your herd! With the Pequea portable bunk feeder, you'll save time — save money. Load it up with silage, haylage, round or square bales or any mixture of grain and forage. Tow it into the field, and feed up to 52 head of cattle at once.

With Pequea's efficient slant-bar system cows can't push each other away from feeding spaces, so you have less feed loss from spills. Convenient low tank height accomodates any size cow.

You can save wear and tear on your pasture and they eliminate heavily trampled spots. Just move it to a new location each day.

The New 520H cattle head gate bunk feeder (below) is the modern answer for holding cattle during breeding, veterinarian, or testing purposes.

Model 520H Specifications

- 25 Head Gates
- Self Locking
- 20 Feet Long, 7 Feet 3 Inches Wide
- Heavy Duty Welded Construction
- 15 x 8 x 6 Wheels
