## BARN CLEANERS

Built to clean faster...  
built to last longer!

All-forged Hook-Link® chain... available on Super 300 and Super 500 barn cleaners

Extra thick steel at all wear points

**IMPORTANT:** Look for the "parting line" on any barn cleaner chain you buy. It shows where excess metal has been trimmed off. It is your assurance that the link was totally forged, not just punched out of a flat steel bar with grain flow in one direction only. You want a totally-forged link because forging changes the grain on the steel, causing it to curve in unbroken flow lines around the contours of the link, giving the link greater strength to serve you longer.

YOU WON'T BEAT OUR PRICES & SERVICE
