## 88,000 NEW 88,000

### TURN THE CLOCK BACK 60TH ANNIVERSARY SPECIAL

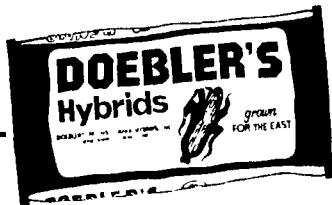

- 8 • Order **farm** accepted and performance proven hybrids and alfalfas. Farm operations are telling us of great yields and *clear* and *recognizable* gains from our products.
- 8 • Order from a company that gives you a seed cost per acre today when you order — not later and get an *unwanted* surprise. Doeblers believe that price should be something that is *affordable* and *ultimately fair*. It should be *visible* to all and not concealed.
- 0 • Order from a company that gives you a NEW and CLEAR added value package. Doeblers Super Singles and Commercial Singles will be bagged in *guaranteed 88,000* kernel size minimum. This is a 10% *bonus* over competitors' 80,000 kernel units. Value that you can see without the need of paper and pencil.
- 0 • Order Doeblers 1995 Seed Corn at Spring 1990 Prices — *our 60th anniversary special*.
- 0 • Order and take advantage of the great Quantity Discount Program.
- 0 • Order now through November 26, 1994, and be assured of a great anniversary program where *quality, performance and reliability* were considered above all else. Order early and have first call on available varieties and grade sizes. Order now and be guaranteed the lower price.
- 0 • Order now throughout November 26, 1994 and pay for your Doeblers seed corn or alfalfa and *deduct* an additional 10% cash. Another value packed option from Doeblers Hybrids.
- 0 • Ask your qualified Doeblers Dealer to help you select the *appropriate* Doeblers hybrids to fit your particular requirements so you have the
