

FARMER BOY AG INC.

Your Complete Poultry & Swine Building & Equipment Center

"Keep Your Livestock Warm — Winter Is Just Around The Corner"

Pur@Fire

The "matchless" heater

Purfire's fast-acting, 24-volt electronic ignition energizes in just four seconds. This eliminates unpredictable pilot light flames, as well as the inconvenience of having to clean pilots or restart them with a match. Plus, a tough porcelain casing protects the igniter from damage and excessive heat exposure.

Purfire's fuel-saving "hot surface" igniter is protected by a porcelain casing for long life.

Well built, well protected

Purfire heaters are constructed of tough, rust-resistant galvanized steel for long life and durability. The motor assembly, blower, gas valve, control panel and other components are protected from moisture, dirt and dust. Swinging doors on each side give easy access to all working parts, making replacement and field service a breeze.

Quality manufacturing, pride in craftsmanship and dependable factory support are GSI trademarks.

Purfire is 100% high-pressure washable. See operation manual for COMPLETE cleaning instructions.

RENCO

PREG-TONE®
A Fast, Safe, and Accurate
Ultrasonic Pregnancy
Tester for Hogs and Sheep

No lights to watch!
No buttons to push!

Save 30% On Your
Electric Bill With
Our 175 Watt Heat Bulb

Long Lasting
5,000 Hours

12 Bulbs/Case

These 175 watt heat lamp bulbs put out as much heat as a 250 watt bulb but use 30% less electricity at \$ 10 per K.W.H. that's \$37.50 over the life of the lamp. Even better, if you run 40 lamps that's a savings of \$1,500.00

Bulbs are Heavy Duty Industrial type with high brass base and are resistant to urine and water splash damage, so you'll save even more on those costly breakage problems.

STANDARD 125-250 WATT BULBS AVAILABLE
