Registered Highland Cattle

- Discover the breed that still retains special traits acquired from its ancestors of Scotland.
- Great foragers, clearing most pest plants common to poor pastures
- Thrive in cold, damp climates
- Produce excellent lean beef in adverse conditions where other cattle would fail
- Docile and Hearty
- Calve easily due to small birth weights—something of interest to dairy people for servicing first-calf heifers
- Brucellosis, TB, BVD free herd and inoculated against rabies

Come visit our farm and meet your future herd! Transportation Available
