Tough Shredder

SideKick spreaders power through even the toughest manure.

With a new SideKick 3200 series side-delivery spreader, you'll power through tough manure when others shudder.

The planetary drive system and twin augers power through all types of manure from slurry to heavy pen pack to dry feedlot to gritty poultry litter.

The unique vertical expellers shred manure for a fine application. And the hydraulic expeller door

makes the rate easy to control, too.

New Idea 3600 series box spreaders have earned a reputation for a long life and an exceptional spread pattern

See your dealer or call 1-800-767-3221 for information.
