If you've been considering starting in llamas, or having a llama for a pet, why not stop in to see our herd.

Our young males start at \$500, our weaning females at \$2,500, our pregnant females at \$3,500. A deposit will hold any of our crias (baby llamas) for you.

We prefer selling off the farm, rather than subjecting our animals to the stress of auctions.

All of our llamas are registered with the International Llama Registry. Some of the finest wool and blood lines can be found in our herd, including Otter Creek Harold.

All llamas can be halter led, and are gently trained by teenagers.
