

Farm Show Toys Available Again

HARRISBURG, (Dauphin Co.) — For the fifth consecutive year, limited edition collector models will be on sale at the state farm show. The 79th show runs Saturday, Jan. 7th through Thursday, Jan. 12th. All models are approved by the Farm Show Commission and by the Department of Agriculture.

For *Ertl* bank collectors, a 1931 Hawkeye stake truck loaded with feed sacks printed with authentic *Eastern States* logos is available. 1248 will be made. Banks cannot be reserved, but will be sold in limited quantities daily with most going on sale on Saturday and Sunday. Permission given by *Agway* to use the *Eastern States* logo.

A model of an *OLIVER* 1655 diesel tractor in 1/16th scale has been approved for farm toy collec-

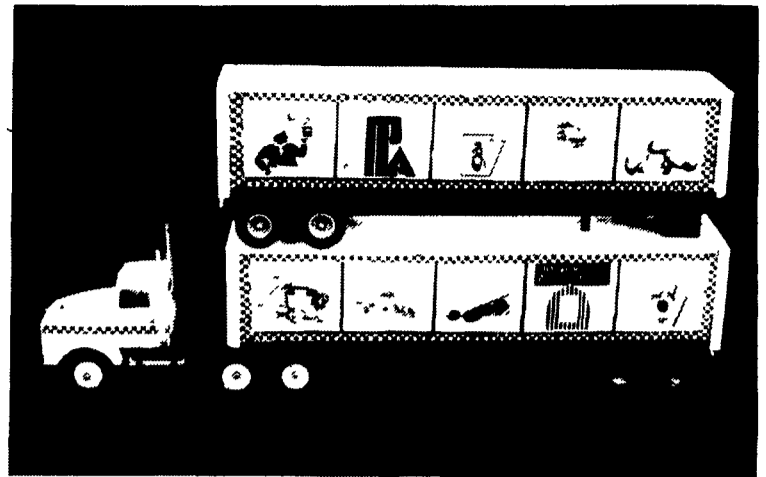

tors. They feature 4 wheel drive, duals on the rear, a safety canopy, plus a PA Farm Show cast in inscription and are gift boxed. Only 500 models have been ordered.

Winross collector trucks are the most popular model and this year we'll honor the 11 Pennsylvania farm commodity groups that participate in the farm show's Food Court. Included are: *PA Aquaculture Assn.*, *PA Bakers Assn.*, *PA Dairymens Assn.*, *PA Mushroom Growers*, *PA Livestock Assn.*, *PA Maple Syrup Producers*, *PA Mushroom Growers*, *PA Poultry Federation*, *PA State Beekeepers*, *PA Vegetable Growers*, *And the State Horticultural Assn.* It is the most colorful farm show model ever with 13 colors used

to provide separate logos for each group. The cab will be the *Kenworth T-800* tandem axle tractor. Photo shows a preliminary model, **enhanced graphics will be added.** The *PA Maple Syrup Producers* logo will be on one end of the trailer. Over 100 parts are used to build each of the USA producers collector models. A maximum of 2200 will be made depending on models reserved.
