LANDCOMMANDER

In Stock: Brillion LCS3301 Land Commander
3-Shank, 30 Inch Spacing, 11 Ft. 4 Inch Transport Width

TAKE COMMAND OF TILLAGE PROBLEMS

Brillion's Landcommander gives you total command over the problems of compaction, soil erosion, residue management, and rough fields.

The Landcommander has the ability to till from 8" to 20" deep. This allows you to work through the deepest compaction zones. Brillion gives you the choice of 24" or 30" shank spacing. Automatic reset shanks allow non-stop farming. Thirty-nine inches of underframe clearance allows the unit to work heavy residue without plugging.

Simple disc gang depth adjustment, innovative design, and heavy duty construction. The new Brillion Landcommander is built in the old Brillion tradition. We make "tough tillage tools."
