REPLACING HOG FLOORING? CONSIDERING NEW CONSTRUCTION? CHECK OUT

Polygrate™

Time Tested and Proven
This style of POLYGRATE was first introduced in 1981. Over the years Farcox has continued to refine this product. POLYGRATE is one of only a few "World Class" floors that has stood this test of time.
Outstanding Traction
POLYGRATE'S unique "high-low" finger design provides outstanding traction for pigs of all sizes, while enhancing safety and comfort.
♦ POLYGRATE'S rounded corners minimize injuries. The edges are beveled providing a smoother, safer surface that promotes comfort, too.

What Does This All Add Up To?
♦ More piglets survive until weaning
♦ Less splay/spraddle leg problems
♦ Heavier piglets at weaning
♦ Better conditioned sows at weaning
