For The Way You Farm Today

Fingertip Powershift Control, Improved Field Visibility and The Most Comfortable Cab Ever

Model 9650
147 PTO HP (109.7 kW)
In Stock Ready For Delivery

For the way you farm today

With their new 18x9 speed full powershift transmissions that electronically control the engagement of massive gears with just the tap of a hand... their cab-forward design that permits a clear, unobstructed view of the field in all directions... and their roomy, comfortable cabs, that feature a unique swivel, air-ride seat and an exclusive seat-mounted control console, the new 9600 Series tractors are clearly ahead of the time.

Every component — from the sleek, sloping hood, to the rugged, cast-iron mainframe to the world-proven air-cooled diesel engines, that require less maintenance — has been designed to match the way you farm today. The result is greater comfort, better performance and improved productivity.

Compare the features and specifications for yourself. Better yet, stop by BHM Farm Equipment soon and try out the 9650 model for yourself. You have to drive it to believe it.

IMAGINE!
This Much Quality at One Location

Meyers Implements, Inc.

We at Meyers Implements, Inc. have strived for many years to bring our customers the best products available. While one eye was fixed on the goal of providing quality products, the second was looking out for affordability. As a result, we have assembled the highest quality products available on the market and because of our dual commitment we can offer them at the most competitive prices.

As an extension of our commitment, our fully-stocked parts department and award-winning service department stand ready to serve. So before you are disappointed by buying somewhere else, give us a call.

Satisfaction is what we sell!
