

# LESS TIME ON SERVICE

We redesigned the GLEANER rotary from header to spreader with fewer moving belts and chains. So you get greater reliability and reduced maintenance during harvest. And now, three of four models\* offer you an engine choice — a high torque rise Cummins diesel or a low maintenance air-cooled Deutz, both loaded with power to spare. Check out the combine that's built for greater reliability and backed by a strong AGCO warranty and superior service — the GLEANER rotary. Visit your local AGCO GLEANER dealer today. And ask about flexible AGCO financing.
