

THE VAN DALE ADVANTAGE

SPREADER TANK

Van Dale Spreader Tanks get the job done better and here's one reason why - its full length, 8" diameter auger. A Van Dale exclusive, the auger provides complete in-tank agitation, evenly feeds manure to the rear slinger pump and completely removes solids from the tank.

If this feature doesn't convince you Van Dale tanks are better, its comprehensive warranty* will - 10 pro-rated years on the tank body, and 5 years on the undercarriage. So put a new sign on the job with Van Dale's exclusive auger, and get it done.

AN EFFECTIVE METHOD OF MAXIMIZING THE FERTILIZER VALUE OF LIQUID MANURE

SHALLOW TILLAGE APPLICATOR

Van Dale's newest generation of liquid manure applicators is based on a simple, yet superior design. The Shallow Tillage Applicator consists of a double row of nine heavy duty cultivator shanks, evenly spaced, to provide maximum mixing action of top soil and liquid manure. All shanks are equipped with 9" sweeps to attack the soil and give consistent application and excellent soil agitation across a 12' width. The result is more manure nutrients available to plant roots because incorporation is done between 3" to 6" deep—ideal for crop utilization.

Smooth Moves

SURFACE DRIVE SILO UNLOADERS

Smart farmers look to Van Dale for all the right moves when it comes to surface drive technology. Even frozen and hard packed silage and haylage are no match for Van Dale's Magnum and SD 2000. Now Van Dale offers even greater efficiency with its DURAGLIDE® Impeller available on the SD 2000. The Duraglide lessens gummy buildups, uses less power and provides faster and more reliable delivery.

- CHECK OUT THESE FEATURES
- ✓ Heavy-Duty Counter-Rotating Auger System
 - ✓ Trouble Free Gearbox
 - ✓ Collector ring with six metal graphite brushes for trouble-free electrical connections
 - ✓ Remote Electrical Control

197 FFA'ers To Receive Degree

(Continued from Page E14)

William H. Davis, Jr.

"Diesel mechanic" are noted as the plans for four-year Solanco FFA member William Davis. William, 18, son of William and Wanda Davis, Peach Bottom, Lancaster County, served as chapter sentinel and serves as chapter student adviser. He has chaired the conduct of meetings committee and completed various swine finishing, beef finishing, and on-farm work experience projects. In addition, William has obtained the Greenhand, Chapter, and Red Rose degrees. He has received a first place in state land judging (team member) and obtained the proficiency award in land judging and state and county project book contests.

Scott Defibaugh

For the future, Scott Defibaugh indicated he wanted to further his schooling. Scott, 17, son of Mary and Gary Defibaugh, Loysburg, Bedford County, has served as Northern Bedford FFA treasurer for two years. In addition, he has served on the recreation and earnings, savings, and investment committees. Scott has four years of SAE work experience and has obtained the Greenhand, Chapter, and Star Agribusiness degrees.

Harry C. Dehoff

To own a livestock and grain farm comprise the plans of four-year Kenard-Dale FFA member Harry Dehoff. Harry, 19, son of Harry and Kathy Dehoff, New Park, York County, has served as chapter reporter and sentinel. Also, Harry has completed SAE on a grain farm and potato operation. He has also competed in various contests, including small gas engines, ag mechanics, livestock judging, land judging, and with the parliamentary procedure team (the 1992 team won first place in the county, area, and region). Harry has obtained the Greenhand, Star Greenhand, Chapter, and White Rose degrees.

Heather Dick

Four-year Mason-Dixon FFA member Heather Dick has plans to attend Central Penn or Harrisburg Area Community College to receive her career degree. Heather, 17, daughter of Debra Sanders, Fairfield, Adams County, has participated in the state convention for three years, the national convention recently, and various leadership conferences. Heather has served as chapter reporter and is chapter secretary. She has served on the float committee and received a bronze medal in the state interview contest. She obtained the Greenhand and Chapter Farmer degrees.
