

THE PA FARM SHOW

THURS., JAN. 12

MAGNUM

7200 Series

MAXXUM

5200 Series

these days, you pencil out the return on every dollar spent. That's the investment.

you want to know whether that new tractor, combine, or implement is the best? Is it built to last and will it have high resale value when asked?

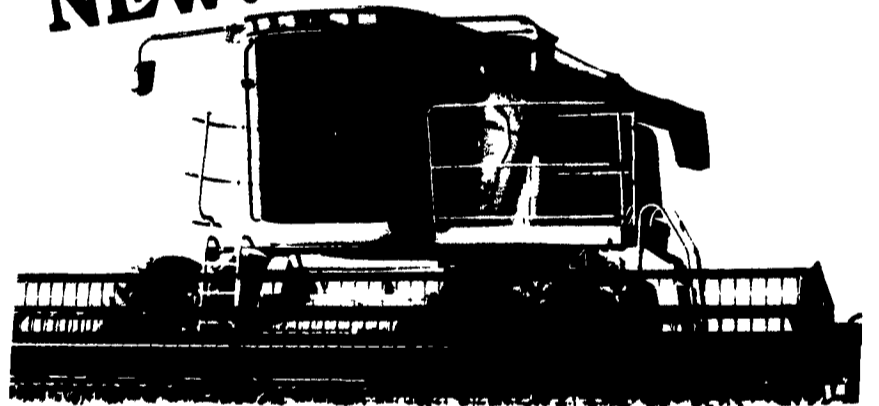

enough these days. Whether it's at farm shows, field demonstrations or just what you like or dislike about our equipment.

inure performance requirements evolve. Farm equipment design is in the 21st century. And Case IH will continue to lead the industry with advanced technology.

of our product, too. They've purchased a package which includes maximum peak performance.

every one of us at Case IH.
