MUELLER
DAIRY FARM EQUIPMENT

Offer
Scroll-Compressor Technology
New in 1994

You may pay less for some dairy farm equipment... but it can cost you more!

Equipment cost is not the only cost of cooling milk

In the long run, total operating costs of a Mueller milk-cooling system are generally substantially less than those of "bargain-brand" milk-cooling equipment.

Example	Mueller	Competition
Cost of equipment	\$41,000	\$28,000
Cost of electricity @ .08 kW for 12,000 lbs milk/day for 10 years	\$17,550	\$22,550
Total operating cost for ten years	\$58,550	\$50,550
Savings	\$8,000	

Contact your Mueller distributor for further comparisons.
