The One Spreader Big Enough For Poultry Litter, Rugged Enough For Lime.

The Stoltzfus Poultry Litter

Spreader is specifically designed for the demands of this challenging job. The 20 foot hopper holds a whopping 400 cubic foot load, meaning fewer trips for you. The big 30-inch drag chain moves large volumes of litter fast. And the dual hydraulic spinners spread a wide, uniform pattern up to 40 feet wide.

But its real beauty may be its versatility. Now you can spread fertilizer, stockpiled lime, compost, poultry litter and more, all with one machine.

Long considered "top-of-the-line"

ag spreaders, many Stoltzfus Spreaders are still in use after 20 years. That makes a Stoltzfus Spreader preferred not only for quality and performance, but also for terrific economy in the long run.

Sure you can settle for buying on initial price alone. But with a Stoltzfus Spreader you won't be shopping for another spreader just a couple years down the line.
