ATTENTION TOBACCO FARMERS

We Couldn't Do It Without You!

The farmers would have more money in pocket if they make all buyers buy at auctions. The buyer would like it better and do the job cheaper. With county buying and auction, one or the other will lose out. "Which one should go?"

We would like to ask farmers who signed contracts for tobacco, why can't we raise the price? "How can we raise the price when tobacco companies tell us 1/3 of tobacco is sold on contract?" This tells us that 1/3 of farmers are satisfied at \$1.20 per pound.
