

# Tax Time!!

©DG 1991

*Uncle Sam wants what is coming to him!*

*But, you don't know what that is!*

**Your records are here some place, but what do you need?**

*Uncle Sam's Income Tax forms aren't "farmer friendly."*

**Nobody understands them!**

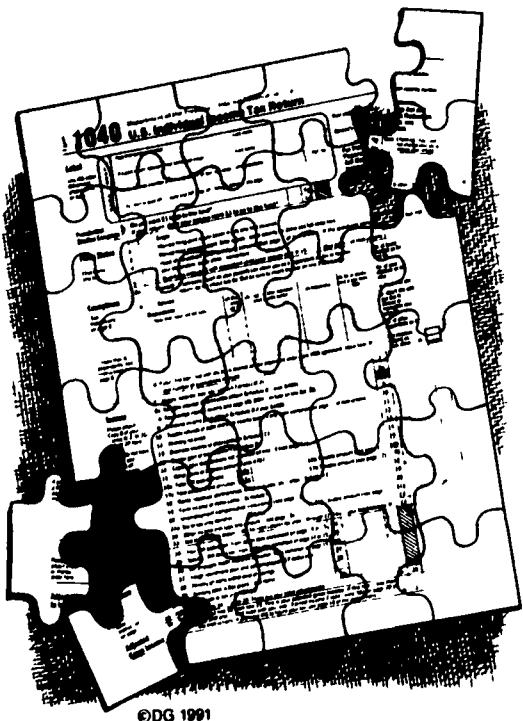

*They're like a jigsaw puzzle with missing pieces.*

*It is the business of the tax experts at the PENNSYLVANIA FARM BUREAU FARM MANAGEMENT SERVICES to know how to put the IRS Jigsaw Puzzle together for you.*

*They use your records.*

*They have been doing it for 38 years.*
