**SPACE,  
 TIME  
 AND  
 MONEY**

That's what you can expect to save with a Case International 8570 rectangular baler.

The 8570 makes bales that save space by compressing the same amount of hay as approximately 20 conventional bales into a 1,000 pound, mid-size package. With fewer bales to handle, you save time and money,

too. And the bale size is ideal for storing, handling and feeding.

The low-profile pickup and center-line feeding system keeps nutritious leaves in the bale. Other features include automatic hydraulic bale density control, double-tie knotters and electronic monitoring system.

**TR TRAILERS**

for pre-and post-emergence applications with a high level of performance

- 300, 500, 800 & 1000 gal. tanks
- Eagle hydraulic fold boom 45, 50, 60 66'
- MB manual boom (air suspension available)
- Diaphragm pump
- EC electric controls (150 psi+) with HardiMatic & constant pressure
- Snap-Fit Color Tips
- Top drain & top suction

**H&S

If you are looking for price and performance, this is your best buy

**7200 Series of MAGNUM™ Tractors.**

• Five tractors so relentlessly strong, they may surpass all that you've experienced in agricultural power. Ranging from the 130 PTO hp 7210 to the 215 PTO hp 7250 - the most powerful 2WD tractor in the world. Each built with a brand of durability, reliability and performance that will exceed even the highest expectations. • Five tractors so fully equipped, they will surprise even the most demanding operator. With 3-pt. hitch capacities up to nearly 7-1/2 tons. Standard 18-speed full power

shift transmissions that shift easier than ever. And the most comfortable cab we've ever manufactured. • Five tractors so thoroughly refined, they stand as proud testimony to all that we've learned from our customers. With the enhanced controls, improved monitor access and state-of-the-art seat that you requested. • The next MAGNUM. After seven years on the cutting edge of performance, dependability and durability, we knew of only one way to go: Further.
